TOUGH MUDDER

FEBRUARY 9 – NOVEMBER 9, 2013

Dos Equis is the official category sponsor of one the toughest event series around. Obstacle courses are designed by British Special Forces to test all-around strength, stamina, fitness, camaraderie, and mental grit. After running through fire, electrical cords, nearly impossible rope courses and miles of mud, participants are crowned with a Tough Mudder headband by camouflage-clad Dos Equis Brand Ambassadors and handed an ice cold Dos Equis.

BAZAAR NOIR

JULY 24 – AUGUST 6, 2013

The Dos Equis Bazaar Noir was an immersive consumer experience that transformed unexpected places into mysterious night markets. The events took place in seven markets across the country and consisted of worldly oddities, exotic edibles, and wanderers of shadows, creating a one-of-a-kind experience for core consumers. Attendees enjoyed complimentary Dos Equis Lager, Dos Equis Ambar and a mixology bar, which featured Dos-A-Ritas, Dos Cidras and Micheladas.

AUSTIN INFLUENCER

In an effort to grow our presence in this key market in 2013, Dos Equis leveraged Austin culture aficionado Danielle Thomas. By seeding product to key community events and gatherings of our core consumers, and also to small-scale sponsorships, Danielle was able to grow the brand in an organic and authentic way.

The program was made up of three distinct efforts: a winter program to help raise awareness and increase trials of Ambar, a massive effort to put Dos Equis in the hands of consumers throughout the South by Southwest festival week, and a summer program focused on overall product seeding opportunities in Austin.
